We're changing our name to Aetna

Coventry and Aetna have been the same company since 2013. We're changing our name and logo, but our relationship with you and our members will stay the same.

Staying dedicated to our local relationships

We value our local relationships, so our plan offerings and contract agreements won't be impacted by our name and logo change. You'll continue to follow the same processes you do today.

The same great resources you're used to

You can use the same websites and tools you've always used to submit claims, precertify and access referral requests.

Remember, Aetna and Coventry are the same company, so you and your patients may see either name or logo on the communications we send to you.

We're here to help

We're always working to improve your experience. So if you have any questions or concerns, please call us. You can reach us at the number on your patients' ID cards.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies, including Aetna Life Insurance Company, Coventry Health and Life Insurance Company and their affiliates (Aetna).

Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.
